The objectives of the Association have always been:

To restore, where necessary, and maintain fittingly the graves and memorials of our patriot dead of every generation.

To commemorate those who died in the cause of Irish freedom.

To compile a record of such graves and memorials.

The Association has never deviated from its founding principle that only a 32 County Irish Republic represents the true aspiration of those who gave their lives for Irish freedom.

Cumann Uaigheann na Laochra Gael, Bosca Oifig Phoist 7105, Baile Atha Cliath 2, Éire.
